Telephone to Superintendent.

Nurses for Bellevue.

Director North West Reports
he has quarters for nurses
recently appointed, but they
are unfurnished, & furniture
is not available at short notice
locally. Have the nurses pro-
vision here? or should more be
obtained for them? Kindly
telephone requirements. Equipment
on page 109 of Manual seems to
require revision; it provides spoons
and knives, but no forks, nor
anything said about cooking utensils.
Should more provide tables for
them selves?
