From. Mr Sultan Mohidin Sahib Bahadur,
Deputy Collector of Tiruvallur Division

To. The Collector of Chingleput District,
Saidapet.

Sir.

I have the honor to forward herewith report No 49
dated 5 January 1899 of the Passport Clerk at the Tiru-
vullur Railway station that the Railway authorities
have been paying but scant attention to the notification
prohibiting the issue of tickets from Railway
stations in infected areas to Tiruvallur for
Sri Viraraghava Swamiar's and the Thai New moon
festivals. Since the 1st instant about 65 people
have alighted at the Tiruvallur station as may
be seen from the accompanying list and it is pro-
bable that the passengers have been taking advan-
-tage of the exception allowed in the notification in
the case of those not coming here for the festival.

Those that have come to Tiruvallur are but few, yet
Considering that North Arcot, the adjoining district
is affected; the Railway authorities may be asked
to exercise better supervision. The Garuda Utsavam
came on today but was attended mostly by the local
people. I beg to know if I am right in considering
that persons coming by Railway for the festival
from ~~places~~ infected areas should be sent back
in the same way as persons coming by road and
request early orders if those that come and have
already come may be sent away.

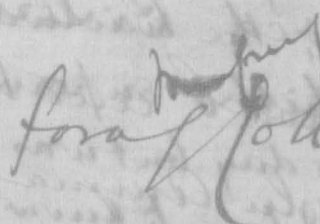

2. Persons from infected areas may take tickets
to Madras and come to Tiruvallur and if you
think proper the running of special trains
for

for the festival may be stopped. Those that have come from the infected areas are being strictly watched and the village muniiffs of the surrounding villages to which persons have also come have been warned to see that these men do not come to Tiruvallur.

3. The Station master of Tiruvallur has also at my request, intimated to superiors of the tax supervision exercised by the station masters who have issued tickets to Tiruvallur from infected areas. The new moon festival and car procession comes on the 10 instant.

Most Respected Sir
As directed by your honor in person, I beg most respectfully to submit herewith the statement of one Krishnama Chari who took a ticket at Ambur, a plague infected area, to Tiruvallur and alighted here this day by 5.30 P.M. train. This passenger says that when he asked for a ticket at Ambur, no one questioned him as to the purpose for which he proceeded to Tiruvallur. He goes for the festival and halts at the house of Alamelu Ammal, Asur street, Tiruvallur.
