PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following paper :—

Memorandum from the Deputy Adjutant-General, Madras Command, to the Plague Commissioner, Madras, dated Ootacamund, 7th December 1898, No. A/N.T.—19554 (Special and Miscellaneous).

[Reference.—Your demi-official letter of 18th November 1898.]

Article 496, Army Regulations, India, Volume I, Part II, as corrected by India Army Circular 87 of 1896, specially provides for dealing with any misconduct such as that reported in your demi-official letter referred to above. Had the name and number of the pensioner been reported to the Pension Paymaster, Vellore, or to the Superintendent of Family Payments and Pensions, Madras, action would have been taken to suspend his pension and to report his case to Government, but as the information given in your letter is not sufficient to identify the man, nothing can be done now in this case.

2. The Superintendent of Pensions has been directed to issue a circular warning all native military pensioners that any disobedience or wilful neglect of plague regulations on their part will meet with the severest punishment.

PROCEEDINGS—No. 956, dated 19th December 1898.

Communicated to all Collectors and the President, Municipal Commission, Madras, for information, in continuation of Proceedings, No. 684, dated 16th November 1898.
