From

To
The Collector of Salem through
the Divisional Officer, Tirupattur.

Sir.

With reference to your telegram

and circular No 58 dated 9.1.99

Plague

I have the honor to state that arrivals
from the stations therein mentioned
especially Vaniambaudi are very
large in both local and mail
trains. The Passport issuing office
now employed is already worked
up tight and has to sit up till a

late hour at night, sometimes till 4.30.

It is desirable therefore that he must have an assistant now, at least,

in Rs 10 a month.

2. The Civil apothecary reports in

his letter No 318 dated 10.1.99,

that it is necessary to passport

people coming from Vaniamhady

by road. The Circular does not

contemplate the issue of passport

for such persons. It provides only for

those arriving by rail. I have no

doubt that persons coming hereafter

from Vaniamhady will travel by

road, to be free from passport

and observation. But as long as

Vaniamhady has not been declared

to be infected, we have no authority

to passport passengers by road from

from there. I request your instructions

as to what steps should be adopted

in reference to the suggestions of the

Civil Apothecary.

3. As matters stand, I am of opinion

that the services of the Divisional Inspector

who is now drawing Rs 35+15 may

be dispensed with and the following

establishment entertained to meet

the present wants. (If plague actually

break out, a Divisional Inspector

may be entertained.)

One assistant to the Passport

Issuing Office on Rs 10.

2. Two Circle Inspectors on Rs 15 each

to patrol each a ward, to detect the

first case of plague, to produce defaulters

for observation, to inspect Chattrams,

Chavadies, 8th in depth and mandies

and

and to observe the residence of
passported persons.

3. Two peons on Rs 5 each to assist
the Circle Inspectors of the ward.

4. The Divisional Inspector's place

has been done away with and

the same establishment

entertained this day in anticipa-

-tion of the sanction of the Council.

I request you will be so good as

to communicate your approval.

A copy of the Office-Note appointing
the Staff is forwarded herewith.

The Plague establishment will now

consist of:-

2 Circle Inspectors for the 2 wards on

2 peons for — do — Rs 15 each.

1 Circle Inspector to assist the Civil

at the City in maintaining Registers

and sending intimations on Rs 15

1 Circle Inspector to issue passports

at the Railway Station on Rs 15.

1 Assistant to the alone on Rs 10.

1 Peon to assist at the office and for

delivery of plague cases and to

assist the Passport issuing officers

on Rs 5

1 Plague clerk on Rs 10.

2 Watchmen for guarding plague

Hospitals and Segregation Sheds

on Rs 4 each.

Total Rs 70

I have etc

RECEIVED

SALEM

In submitting herewith a copy of the

Board's resolution passed at its meeting

held on the 7th instant regarding the additional

establishment entertained as noted below

for plague duty I have the honour to state

that this establishment was entertained

on the 11th instant as arrivals from all

the stations between Arkonam and Jalarpet

had to be passported as per Telegram

and Circular no: ⁵⁸ ^{Plague} dated 9.1.99 of the
Collector of Salem.

The present Circle Inspector on whom
the duty of issuing passports at the Railway
Station is entrusted, could not manage
owing to the large number of arrivals day
and night and so it was thought desirable
to appoint one on Rs 10 to assist him. The
services of the Divisional Inspector who was
paid at Rs 50+10 have been dispensed with as
there is no plague in the town and he may be
entertained when plague actually breaks out.

Two additional Circle Inspectors on Rs 15 each
have been appointed in place of the Divisional
Inspector to patrol the two wards, to detect
first case of plague, to produce defaulters
for observation, to inspect ~~Chattams~~ ^{Chattams}
and obscure residence of passported persons.
Two persons on Rs 5 each have also been entertained
to assist the Circle Inspectors.

2. Two watchers on Rs 4 each were appointed
to guard the Plague Hospitals and Segregation
sheds as the services of four Constables who
were deputed to do this work were taken back
by

by the Assistant Superintendent of Police.

I therefore request that you will
be so good as to accord sanction for the
entertainment of the above staff.

3. The pay of the staff will be met from
Plague Charges.

I have the honour to be,
Sir,

your most obedient servant,

M. S. S. S.
Chairman

B
29/1/99.
