Another attempt may be made to have
the assessments reduced by preferring
an appeal.

honor to append herewith
a statement from which
it will be seen that the
annual rent value on
which the foregovernment
buildings in this
Municipality have been
assessed, has been
the same for the last
6 years. The Council
therefore saw no reason
to reduce the taxes on
these buildings, but
reduced in cases where
reduction was deemed
reasonable. The slight
increase in assessments
on all foregovernment
buildings was due to the
general enhancement
sanctioned by foregovernment
in its order no. 907 of
dated 12 May 1898, which
applies to all buildings
in the town. There is not
much

There is a difference of

the Executive Engineer's
Estimate and Municipal
