SIR,

I have the honor to report that the Hospital assistants shed at the Pudur Road Frontier Inspection Station has been completely destroyed by fire on the night of the 24th ultimo. It is stated that at about 20'clock in the night the Conservancy Maistry who was sleeping in the shed was awakened by the flame of the fire and he awoke the Hospital assistant, Gimmatal, Salt pinner who

who were also sleeping in the same shed.

All these hastened to put out the fire and to save as much property as they could.

They could not save the shed which was soon completely consumed by fire and the following articles also were destroyed.

Wooden tubs 4

Iron bucket 1

Condensed milk tins 4

Porcelain vessels 6

Canvas cloth 1

Cumby Cots 3

Bamboo

Mats 5

Brown bottles 4

Table 1

Camp chair 1

Cumblies 3

Tar tin 1

The Tahaladar of Mandi Bhat is of opinion that the fire was due to incendiarism the authors of the mischief being the gumbalas living in a neighbouring village of His Highness the

the Mizam's territory. Mr Johnston the Deputy Supervisor considers on the other hand that the fire was purely accidental. I am inclined to think that the latter officer's view is correct. The Superintendent of Police has however been requested to make enquiries into the matter.

3. The original cost of the shed is about Rs 200 and the cost of the articles is roughly estimated at Rs 100. I have the honor to request that you will be good enough to sanction early the re-erection of the shed and the purchase of the articles lost by fire.

I have the honor to be,
