TO

The Plague Commissioner

SIR,

ENCLOSURES.

I have the honour to acknowledge receipt of your memo dated 7th instant asking for the Plague establishment lists for November 1898.

In reply I have to state that the lists were received in your office on the 6th instant with a covering letter explaining that it had been found impossible to send the lists in the revised form.

The lists were received back today from your office with an endorsement that they were to be supplied in the new form & printed.

It is now understood for the first time that the lists themselves are to be printed & not merely sent in on printed forms. The printing of the lists will take a day or two so that I regret that a further short delay will occur before they are despatched to you.

I have the honor to be,
Sir,
Your most obedient Servant,
