To,

The Chairman,

Egudiyalam Municipal Council

Sir,

In reply to your letter no. 556 dated 7th February 1899, I have the honor to call your attention to the fact that the date on which the voters' list has been actually published is not stated by you. Rule 7 of the Election rules which have the force of law directs that the list should be published "on or before the 1st January in each year" and any deviation from this rule would, I think, invalidate the list. The matter is important and I therefore request you to submit a report to Government through me, giving the actual date of publication and explaining the cause of delay fully.

Sir,

I have the honor to inform you
that the voters lists have been completed
on the 20th January 99, a little later
than the date fixed, as persons paying
the Income-Tax had to be known from
the Tahsildar's office

These lists have been affixed in
conspicuous parts of each ward and

Sir,

With reference to Collector's Ref
on Cur No 209 of 99 of 18-2-99, I have the honor
to report, that the voters lists have been
completed and published in the town on
the 20 January 1899.

As persons paying Income Tax
had also to be ascertained from the
Tasildar, as the office Clerks were busy
then, in preparing Budget report and as
this is the first year in this Municipality
in which the Election rules are brought to
force, great difficulty had to be gone
through in getting the required information

instead of in the
1st Tammang. Vice

and completing the lists correctly. Hence
the lists could not be published on the
1st January 99, as required in para 7 of
the elections rules.

The lists having been
prepared carefully not a single
application or objection petition has been
received from any person till now, though
the time of 1 month allowed in rule 8
is over, by the 20th instant.

I request that the
Government will be pleased to accept
the delay for reasons stated above,
and treat the lists as valid.

I have the honor to be

Sr

Yours most obedient servant
