From The Collector of Nellore

Order No 442 Nellore of 28/3/99

Under Subsection (4) of Section 282 of the Madras District Municipalities Act II of 1884, as amended by Act III of 1897, His Excellency the Governor in Council authorizes the Secretary, the two Sanitary Inspectors, and the Public Works Overseer of the Nellore Municipality to exercise the powers of a Police Officer for the purposes of that Act. But the Municipal Councils proposal to invest the Conservancy and private scavenging maistries with such powers does not commend itself to Government.

Returned to the District Magistrate on 11th Feb
1899.

I consider that the proposal is a good
one on the strict condition that all information
laid by such Municipal Police should be laid
before a Magistrate direct, and that the regular
police should have nothing to do with the investigation
of cases so reported. Without this condition there
would be certain to be friction between the two bodies.

The Police in Tallone Town are undoubtedly
insufficient to deal in a really satisfactory
manner with nuisance cases.
