Chairman, Municipal Council,

To

Cuddapah,

The Collector of Cuddapah.

Sir,

I have the honor to state that it is impossible that one peon cannot attend to duty at the Railway Station daily for plaque inspection. He has also to do the duty of producing passengers from for observation at the Hospital. It was on the ground of its being impossible for one Hospital Assistant to do duty at the Railway Station daily, another Hospital Assistant was appointed so that the two may do work on alternate days. Similarly it is desirable that another peon should be appointed. The District Medical and Sanitary Officer, Cuddapah, thinks it necessary to do so. The peon has also fallen ill and became irregular in his

his attendance on account of the incessant
daily work. I have therefore the honor
to request that the appointment of
another person may be approved. The
petition presented by the present person
is also enclosed for perusal and return.
