Madras, 22nd February 1899.

No. 462

From L. C. Buckley Esq: I. C. S.,
Plague Commissioner.

To All Collectors.

Sir,

I have the honour to invite your attention to my letter No. 843, dt 3-12-98 and to request once more that proposals for restricting fairs and festivals may be communicated to me in time to take action. In spite of G.O. 279-P, dt 25-3-98 and my reminder quoted above it is to be regretted that proposals have from time to time been made at too late a date, for precautionary measures to be taken. I have the honour to suggest that in view to avoid delay in future a list may be prepared every month in your office of all the fairs and festivals to take place in the ensuing 3 months, and that by the 15th of each month you should send in your proposals for the restriction of religious and other gatherings to be held in the next month but one — i.e., on 15th March you should send in your proposals for May.

2. I also request that the heading of Col 6 of the statement prescribed in G.O. No. 279-P. of 25-3-98 may be altered into,

"From what districts in the Madras Presidency & from what places outside the Presidency, pilgrimage should be prohibited, and the number of people expected from each of such districts or places."

I have the honor to be,
Sir,
Your most obedt: Servt:

To all Collectors

Sir

I am directed to request that the proposals contained in my letter No 843 dy 3-12-99, proposals to impose restrictions on festivals and fairs under the E.D. Act contemplated to be forwarded too late, and it has been found impracticable to take all the precautionary measures that were necessary. I therefore beg to invite your attention to Col 6 of Form 279 vide dy 25-3-98, and to request that with view to avoid delay in future a quarterly list of all festivals & fairs may be prepared in your office at least one month in advance so that there may be ample time to consider & decide what measures action should be taken in the matter.

2. I also request that the heading of col 6 of the Statement prescribed in Form No 279 P. of 25-3-98 may be altered into "From what districts in the Presidency, pilgrimage should be prohibited, and the number of people expected from each of such districts or places"
