GENERAL.

No. Pg. 1241, dated 18th February 1899.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 9 A to the original Mofussil Regulations published with Notification No. 9383—Mis. F. 21-96, dated the 10th February 1898.

- (1) *Demolition of buildings.*—If in the opinion of the Deputy Commissioner, or of the District Plague Officer or District Medical Officer any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the Sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the Deputy Commissioner or District Plague Officer may have the same or any part thereof demolished.
- (2) *Valuation.*—Prior to any such building being demolished, the Deputy Commissioner, District Plague officer, or other officer authorized by the Deputy Commissioner in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as the Deputy Commissioner may by name or by virtue of office appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than 7 days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid, and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal or District Funds as the Deputy Commissioner may decide) but he shall not be entitled to receive any further or other sum by way of compensation.
- (3) *Building materials.*—The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipal Board or District Fund Board as the case may be and shall be removed and disposed of or, if necessary, destroyed, as may be directed by the Deputy Commissioner of the district.
- (4) *Rule of assessment.*—In assessing the value of any building regard shall be had only to the then actual market value of the structure; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.
- (5) *Adjournment.*—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the Deputy Commissioner, District Plague Officer, or other officer authorized by the Deputy Commissioner as above.
- (6) *Saving clause.*—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the Deputy Commissioner may possess independently of the powers hereby conferred.
