My dear Collector's Office
Cape Town 15 March 1899.

From C. J. Weir Esquire
Collector of the Pilgrims
to The Chief Secretary
to Government

Sir,

I have the honour to report that 2 plague
Sheds belonging to the Goudaer Camp were
destroyed by fire on the night of the 13th
From reports received from Deputy
Tahsildar & Head Assistant Collector
it appears that there were grass fires
all over the South East Wynaad on the
13th & the camp had been threatened
thereby. But the Head Assistant Collector
made personal arrangements for its
safety & had extra fire lines cut.
and satisfied regarding its safety.
2. The Sheds took fire at 8 p.m. & there
was no wind at the time & no fire
in the neighbourhood both the Head
Assistant & the Deputy Tahsildar

Suspect incendiaries. 2 boys were
 seen walking hurriedly in the neighbourhood
 of the plague camp immediately
 before the fire broke out & it is said
 they can be identified. The Head
 Assistant Collector telegraphs later
 that the Police have made 4 arrests.
 I have sent extra 6 Constables to
 Goddard's Coast post an Effective
 guard over the plague camp at
 night & the Head Assistant Collector
 has seen to the removal of all
 inflammable material from the
 neighbourhood of the Camp.

I have the honour to be
 Sir
 Your most obedient Servant
