With reference to your Proceedings No. 424 dated 26th October 1898 stating that the allowances of Midwives who do plague duty in addition to their ordinary work should be regulated in accordance with para 2 (b) of Government order No. 1153 P dated 23rd September 1898, I have the honour to state that the case of the Midwife of Penukonda comes under para 2 (a) clause i of the above Government order, as she has been doing her work at Hindupur which is not her ordinary place of work. I request therefore that an allowance of Rs 10 a month may be sanctioned to her.

CURRENT No. 1477

Submitted for orders

Progs. / Letter / Ref.

Submitted for orders. It was thought that the midwife was doing passport work in addition to her ordinary duties. This does not appear to be the case. Her pay is Rs 15 a month & the allowance of Rs 10 a month for examining passport holders seems too much. G.O. No 1153 P. does not apply does it? to nurses or midwives

Levy 7/2/99

Lapse with Sec. that the woman is not the best person to be employed for this purpose if such a course could be avoided. But as her services are utilized it will be difficult to find any one else to work the remainder of the month. Rs 10/- a large allowance for her. Can she be given a local allowance of Rs 5 only?

If so under what rule?
