N^o 1339 Municipal Office
Co. Cawara, 23rd February 1899.

From Mr. K. Perarajam Gamm
Chairman, Municipal Council,
Co. Cawara.

To
The Secretary to Government,
Local and Municipal Department,
Madras,
through the Collector,
Gostan District.

In forwarding herewith enclosed
a copy of the Council's resolution No. 45 dated 17th
December 1898, I have the honour to solicit
sanction for the alienation of a piece of land
measuring 52 square feet (Sketch enclosed) on
Beach Road in Jagannathpur to the Bulli Ramay.

2. The site forms part of the
road margin and is of no use to the Municipality.

3. The house now constructed does
not project beyond the line of the neighbouring
houses. The house owner says that it is part
of his ground, while the Municipal servants
reported it to be an encroachment of 2 ft. The
ward Councillor Mr. K. Perarajam Gamm, who
first stated that it was an encroachment
of 2 ft. said in the Council that he was under
mistake and at the time he took measurements
from a wrong place. The document produced by
the house owner shows that the portion in question

is within his limits. He, however, failed to produce any old title deeds. Having regard to all the circumstances as well as the fact of the Courts' throwing the burden of proof upon the Municipality in case the person concerned be prosecuted as sued in the courts, which in the present state of things it is not in a position to do, the Council passed the resolution aforesaid.

Lately, the Municipality sustained heavy damages by its not being able to make out its title to certain land legally though one that has a look at it cannot but be morally certain of the justness of its claim.

This is one of the many instances that indicate the jeopardy, communal properties will be subjected to for want of detailed and authentic plans of the town and my constant endeavour in this direction has proved abortive for want of funds. It may not be out of place to request that Government be pleased to have this Municipality in its view so as to arrange as soon as possible for a detailed Survey plan of the town.

Under the circumstances, I beg that Government be pleased to sanction the Council's resolution aforesaid.
