THE RESIDENT IN MYSORE.

Notification.

No. 155 P., dated Bangalore, the 27th December 1898.

In exercise of the powers conferred on him by Section 2 of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station of Bangalore, the Resident in Mysore is pleased to prescribe the following Regulations, in supersession of those prescribed in his Notifications No. 4936, dated 23rd September 1898 (as subsequently amended) and No. 5116, dated 29th September 1898:—

I. From the date of this Notification no person shall leave the Bangalore City Railway Station by rail, or the Civil and Military Station Bangalore by rail or by road, unless he has provided himself with a pass in form A attached to this Notification.

Provided that this Regulation shall not apply to:—

- persons holding a certificate of inoculation bearing their thumb mark impression and dated within six months previously, or
- to any Mysore or British Government official, or to any Railway official, travelling on duty.
- persons holding through tickets and who have not been in Bangalore for more than 6 hours.

II. From the date of this Notification, no person shall leave Bangalore by rail from the City Railway Station unless he has provided himself with either a disinfection certificate (in Form B attached), or a certificate of exemption from disinfection (in Form C attached) in addition to the pass prescribed in Regulation I above. The booking clerks at the City Railway Station shall issue no ticket unless, with the fare, is tendered the pass and also one or other of the certificates just mentioned.

Provided that this regulation shall not operate in the case of:—

- Mysore or British Government, or Railway officials, travelling on duty, who can satisfactorily establish their identity,
- persons holding through tickets and who have not been in Bangalore for more than 6 hours.

But this regulation shall apply to persons holding certificates of inoculation.

III. Commencing from the date mentioned in the previous regulations, no person shall be booked outwards from the Bangalore direction at any of the following stations viz:—

Bangalore-Cantonment, Krishnarajpuram, White-field, Yesvantpur, Chick Banavar and Yellahanka,

unless he is in possession of a pass and also a certificate of exemption from disinfection (in Form C attached).

Provided that this regulation shall not operate:—

- in the case of Mysore or British Government officials travelling on duty who can satisfactorily establish their identity,
- at Bangalore-Cantonment Station in the case of persons holding through tickets and who have not been in Bangalore for more than 6 hours, and

(or certificate of inoculation bearing his thumb mark and dated within six months previously)

Rules for disinfection Camp.

(Appendix A., referred to in Regulations IV and IX.)

1. The place of disinfection for persons leaving Bangalore by rail shall be the shed, known as the State carriage shed on the Southern Mahratta railway line to the west of the City Station, hereinafter called the disinfection camp.

2. Persons desirous of being disinfected must attend the disinfection camp with the luggage which they wish to take with them out of Bangalore. They shall on no account be allowed to cross the lines of rail from the platform to the disinfection camp but must go round by the level crossing and approach the camp from the south.

3. The camp will be open for disinfection of persons and their luggage daily from 6 a. m. to 10 a. m., and from 3-30 p. m. to 6-30 p. m. Persons desirous of leaving by the 6-25 a. m. train in the direction of Bowringpett, Jalarpett etc., must attend the camp for disinfection not later than 6 p. m. the previous evening. They will be at once disinfected and will be required to remain in the camp during the night, accommodation being provided. In the case of all other trains it will suffice if passengers desirous of proceeding thereby attend the camp 1½ or 2 hours before the train is timed to start.

4. After disinfection all persons shall be conducted by way of the level crossing to the City Station in sufficient time to enable them to purchase tickets before the train starts.

5. No person after disinfection shall receive any luggage or parcel from any one outside the disinfection camp. Any person evading this rule will not be allowed to purchase a ticket unless he has again been disinfected with his luggage. Any person failing to proceed by the first train after disinfection shall be required immediately to deliver up the disinfection certificate in his possession and shall, if he desire to proceed by any subsequent train, be subjected to a second disinfection. Travellers are advised to retain their disinfection certificates until the inspection stations in Mysore have been passed.

6. Disinfection shall be carried out by washing the hands and feet of the person with disinfection solution. The solution to be water, either warm or cold, as preferred, mixed with Jeye's fluid or carbolic acid of strength 1 in 100.

7. Female attendants will be provided for women, and arrangements will be made for the strict preservation of their "gosha."

8. All luggage which those persons who are required by these Regulations to obtain disinfection certificates before they can be permitted to proceed by rail, desire to take with them by train, will be disinfected in the following manner:-

i. Each package, box, or bundle, shall be opened out and examined. All articles excepting food stuffs, costly silks, clean clothes, expensive cloths, or leather goods, shall be put into a gunny bag, a separate bag being provided for each passenger or family. a metal number shall be attached thereto, a duplicate being given to the owner of the contents. The bag and its contents shall then be placed in a cylinder and subjected for 20 minutes to a steam pressure of 20 lbs to the square inch.

ii. Costly silks, leather goods, good clothes or expensive cloths shall be disinfected either by being washed in a solution of perchloride of mercury 1 in 1000, or by being exposed to the sun, or in such other manner as is in the opinion of the officer in charge of disinfection best calculated to thoroughly disinfect without damaging them.

When the disinfection above described has been completed the duplicate metal number shall be taken from the owner of the goods so disinfected and his luggage restored to him.
