SIR,

From Rs 12 to Rs 10.

*Rs 15 and 9 up?

With reference to the Vaniyambadi -
-hadi Muni. Budget for 1899-1900, I have the
honor to state that I am not in favour of
the Municipal Council's proposal to reduce
the salary of the Registrar of births and
deaths, as the results achieved by this Muni-
-cipality in this direction have always
been good. The proposed expenditure on
conservancy is 33.8 percent of the esti-
-mated current receipts. From para 34 of
the Chairman's letter, it is observed that the
Council contemplates dispensing with the
services of the existing Conservancy Sub In-
-spectors and one of the Maistries. In the
circumstances explained by the Chairman,
sanction may be accorded to abolishing the
Sub Inspector's post; but with regard to the
doing away with the appointment of the
Maistry

Maistry, I cannot support the proposal. The staff of toties and Sweepers consists of 80 men. To supervise their work, there ought to be at least 7 men (Maistries or peons). I would advise that provision be made for the employment of this number, and of a peon to assist the Certificated Sanitary Inspector in the service of the Municipality.

I have the honor to be,

Sir,

Yours most obedt Servt
