MARCH.

Brahmotsavam Festival of Sri Bhashyakara Swami and certain other Festivals.

Ordering the publication, in the Fort St. George and certain District Gazettes, of notifications prohibiting the attendance of persons from plague-infected parts at the ensuing — in the Chingleput district, and the sale of railway tickets to certain stations to persons intending to attend the festivals; and requesting the Government of India to prohibit the sale of railway tickets outside the Madras Presidency.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

Letter from D. W. G. COWIE, Esq., Acting Collector of Chingleput, to the Plague Commissioner (through the Sanitary Commissioner for Madras), dated Saidapet, 7th March 1899, Ref. on No. 10—Plague.

I have the honour to report that the festivals noted in the margin will shortly be held at the places entered against them. As the festivals are likely to be attended by many people from plague-infected areas, I consider it most necessary to impose restrictions on the festivals by the prohibition of the attendance at them of persons from such areas and of the sale of railway tickets to the stations mentioned in the enclosed draft notifications.

2. Though the Brahmotsavam festival of Sri Devaraja Swamiar at Conjeeveram nominally lasts for ten (10) days, the termination of the festival depends upon the car reaching its destination. Hence it is recommended that attendance at that festival of people from plague-infected areas may be prohibited till the 4th June next.

3. I shall arrange with the Commissioner of Salt, Abkari and Separate Revenue, and the Inspector-General of Police for the necessary patrols and guards to stop pilgrims and turn them back.

4. The statement prescribed in G.O., No. 279 P., dated 25th March 1898, as modified by the Plague Commissioner's letter No. 462, dated 22nd February 1899, is enclosed.

[Enclosure.]
