The Director of Public Instruction
Madras.

Sir,

I have the honour to bring to your notice that grants from Municipal funds were not paid to the Lower Secondary Department of the School for 1897-98, except for one month.

This School is an aided institution and depends chiefly on fees and grants.

No previous notice that the grants would be withheld was given. This was done under Art 19. Chap III. F.

The usual monthly grant amounts to Rs 30. The municipality has no other Lower Secondary School to support. A year or two ago the local municipality seriously thought of starting a rival Lower Secondary School. If want of funds be, as is alleged, the only reason, why should this institution have been made to suffer this material loss? Seeing that the grant was a regular unpaid month after month, the School budget anticipated its continuance and the sudden withholding of it caused great loss to the funds of the institution.

No payment has yet been made even for the bills sent during the current official year.

The Management will find it difficult to

to secure and retain the services of qualified teachers if grants are thus withheld.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 13 March 1899.

No. 3034

From G. H. Stuart, M.A.,
THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,
Madras,
To 8/7m

THE SECRETARY TO GOVERNMENT,

Local and Municipal DEPARTMENT,
Fort St. George.

SIR,

In continuation of paragraph 2 of this office letter No 441, dated 14th January last, I have the honour to enclose a letter, dated 28th November last, from the Manager, C.M.S. High School, Bezwada, and to state that the action of the municipality in having withheld salary grant from the lower secondary department of the school is a step which is calculated to seriously affect the finances of the school. This is the only school in the town affording lower secondary instruction which is a legitimate charge on municipal funds and the municipal council can hardly justify the course adopted by it. On a reference to the Inspector, I understand that the late Mr. Flanagan strongly protested against this action of the municipality so long ago as April 1898, but no notice seems to have been taken of it. The school is maintained by the mission in a fairly efficient condition. I therefore beg strongly to recommend that the municipality be required to pay over before the 31st instant the arrears of grant due to the school for 1897-98 and 1898-99. Government was pleased to insert a provision of Rs. 360 for the purpose in the budget ^{estimate} for 1899-1900 (G.O. No 246-M, dated 21st February 1899).

I have the honour to be,
Sir,
Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
