ABSTRACT.—Approving, with remarks, of the proposals of the Collector of North Arcot regarding the starting of observation circles round Vellore.

ABSTRACT.—Requesting the Collector of North Arcot to extend the circles round Vellore so as to cover ten miles round Wallajah.

From J. K. BATTEN, Esq., Acting Collector and District Magistrate, North Arcot, to the Plague Commissioner, Madras, dated Ránipéttai, 11th February 1899, Ref. on Cur. No. 672-P.

With reference to your telegram requesting that the observation circles round Vellore may be extended so as to cover ten miles round Wallajah, I have the honour to state that the circles already started cover a distance of ten miles from Wallajah, and even more, in all directions except the east, north-east and south-east the distance in which directions is about seven miles. The deficiency in these directions may be made up either by slightly increasing the diameter of all the circles or by extending the eastern boundaries of circles Nos. 4 and 6 alone. I prefer the latter course, as it will not necessitate re-organizing the circles which have already been started.

2. The description of boundaries given in my letter, Ref. on Cur. No. 220-P. of 1899, dated 28th January 1899, should therefore be amended as follows:—

Eastern boundary of Circle.

No. 4.—A line drawn through Pulivalam, Surai, Mankuppam, Banavaram and Alakuppam of Wallajah taluk.

Southern boundary of Circle.

No. 4.—A line drawn through Punji, Anantalai, Seri and Alappakkam.

Eastern boundary of Circle.

No. 6.—A line drawn through Alappakkam, Uttirampattu, Ayapadi and Mamundur of the Wallajah taluk and Sonaipattu, Arumbakkam and Nagaleri of Arcot taluk.

3. In anticipation of your sanction, I have issued orders to extend the boundaries accordingly. The head-quarters of circle No. 6 will be changed from Pudupadi in Arcot taluk to Pundi in Wallajah taluk.

PROCEEDINGS—No. 531, dated 24th February 1899.

The Collector's action is approved.
