With reference to your reminder No 1 dated the 7th instant, I have the honour to state that there were several changes in the Plague Establishment during the last month. As the establishment list should include all changes up to the 31st January 1899 and as it should be prepared according to the revised instructions issued in your Proceedings No 1047 dated 28th Decr 98, there was some delay in the preparation of the list. Further some information had to be received from the D. Medical & Sanitary officer. The Establishment list has now been prepared and is given to the press. Copies will be sent to you as soon as they are printed
