with ~~attention~~ Attention is invited to H.M.'s remarks in the original. The H.M. states that the S.C.'s appointment is not required for office work, but that this could be done by the Secy. & the Sept. aided by the office Asst. It is not clear whether the Asst. of the Secy. or the Asst. of the S.C. is meant. If the latter is meant, he cannot obviously work under two masters & if he is

through financial sec.

It is requested that the orders of Government may be obtained whether the House Commission it is with Government to the bills.

The question needs decision & accommodation is that under clothing may be provided for the establishment.

Accommodation is required

If the P.C. goes to vote committee he will take only his best clerk,

(one in his own class), & one

4 (or perhaps two) other clerks,

perhaps one or two, & 2

people. It is believed that

accommodation for them can

be found without great

difficulty.

NOTE FOR THE PLAGUE COMMISSIONER

It is not known exactly
when the move of Govt to the hills this
year will take place but
probably it may be in the Easter
holidays which commence on
the 30 March next. It is
suggested that the P.C. may
determine the number of clerks
and persons that should be taken
to Ory, so that arrangements
may be made for

(1) the supply of warm clothing to
the persons & attendants (This
is supplied by the Stationery
Office)

(2) the provision of office
accommodation. (There is no
room in the Secretariat buildings
at Ory & the Public Works
Dept will have to be asked to
rent a suitable building.)

As regards office
orders are requested as to
the furniture now in use &
be taken to Ory & long
or whether a new set

* Budget provides for the whole office
going to Ory.

Revised & resubmitted
24/1/88. In H.C. appointing to the
Commr., it is stated - "It is
very important that all the
precautionary & remedial measures
shall be energetically adopted
and that immediately under Govt
there shall be an officer in sole
charge who will be able on the
spot to advise and assist others
in their labours". The F.C. being
thus a Training Officer, it has to be
considered whether Madras or only
to have central place for his officiating
in the office at the hill
is selected, the whole office
to be at the hill, for it will be extremely
inconvenient for the
operation of the
office in the hill.
