The Surgeon-General

would appear to be mistaken in his
Statement that the two bills
received from Messrs. Waldie
and Co., — one dated 20th Sept.
1898 for Rs 364-2-11, and the
other dated 16th November 1898 for
Rs 146-12-9, — relate to acids
supplied in accordance with
the letter from the Government of
India dated 22nd December 1898,
recorded in G.O. No. 357 P. mis.
dated 6th January '99 ^{appears to be} ~~is evidently~~
~~incorrect~~. The first bill seems
to be for the acids supplied
with reference to the telegram to
the Government of India in
G.O. No. 1072 P. mis. dated 15.9.98
and the Government of India's
letter

Letter Communicated with G.O.

Surgeon-General is requested
to report the authority under
which the acids for which
payment is claimed in the other
bills, were supplied.
