ENCLOSURE.

SUBJECT

Recommending that
warmer clothing may
be issued to the sac-
keros or plague duty

for the supply of warm clothing
to the Inhabitants of the Salt
Department on Maple Island
as is done in the Police Depart-
ment. I have to

Endorsement No: 8/26.12/98

Submitted to the Plague
Commissions with the
recommendation that,
if possible, warm clothing
may be issued to the salt
peons on plague duty.
It is hard on them to be
exposed at night to the cold
climate of the malarial
plains in the thin
garments usually worn
by them on the plains,
and the result will only
be that they fall sick.

COLLECTOR & Magistrate

OF

Howrah

TO

THE

Collector of Salem

SIR,

In reference to your order on the diary of the Special Magistrate Officer dated 7.12.98, I have the honor to state that I addressed the Inspector of Salt and Mahari Revenue, Howrah Circle, regarding the supply of warm clothings to the salt peons on Nagpur only. In reply he states that warm clothing is not supplied to the peons of his department except to those especially working in the Nilgiris District and that supply of warm clothings is quite necessary for peons working in the Benarshahar, Shalhi & Korum ranges as they suffer much from cold in those parts at least for four months in the year. He also states that he has mentioned this matter in his last week's diary on the report of his sub-inspector of Howrah and he further requests that the Board of Revenue may be addressed on the subject. I therefore request that you will be good enough to address the Board of Revenue on the subject and obtain their sanction.
