Close of the observation  
 Camp at Khurda Road in  
 Bengal

## FOR ORDERS.

\* To do this unless we are  
 compelled. It means trouble  
 and in many cases oppression &  
 blackmail to the native travelling  
 population, and at once diminishes  
 the railway traffic.

 C. No 200 P. and 17-4-99  
 order 26<sup>th</sup> 17-4-99  
 No 24 P. and 17-4-99  
 The following telegram was sent to the  
 Govt of Bengal - your telegram dated  
 27<sup>th</sup> March. Camp at Khurda Road  
 not considered necessary. Please, however,  
 communicate to this Government the  
 occurrence of any cases of plague in  
 Orissa.

2. The government does not consider it  
 advisable at present to open a Rajm station  
 at Kallikata. These stations cause  
 annoyance to many cases of plague to the  
 travelling population, and they at once diminish  
 railway traffic. If any case of plague is  
 reported from Cutback or Puri, the Rajm  
 station should be opened by Rajm Commr at Kallikata  
 station as soon as possible.

The Plague Commissioner  
 proposed the opening of a  
 railway frontier inspection  
 station at Kallikata in the  
 Ganjam District, but his  
 proposal was negatived in  
 G.O. n. 455 P. His., dated 23<sup>rd</sup>  
 March 1899. In the current  
 read above, the Government of  
 Bengal states that the observation  
 Camp at Khurda Road will  
 be closed forthwith, unless the  
 Government wishes to maintain  
 it at its own cost, deputing  
 the necessary medical establish-  
 ment to replace that of Bengal  
 which is said to be urgently  
 required for duty elsewhere.

Do, the Plague Commissioner.

The Plague Commission who was  
 consulted considers "that the  
 better course will be to have  
 an inspection station at Kallikota  
 in the Gangjam District, rather  
 than at Khurda Road in Bengal,  
 if it is considered that an inspection  
 station is necessary at all, ---  
 Under the altered  
 circumstances, perhaps Government  
 will be pleased to reconsider that  
 order. If Khurda Road is abolish-  
 ed, I consider that Kallikota  
 "should be opened."

Orders are solicited as  
 to (1) whether the Bengal  
 Government may be informed  
 that this Govt. does not wish  
 to maintain on its behalf an  
 inspection station at Khurda  
 Road and (2) whether an  
 inspection station may be  
 opened at Kallikota.

V.R. Provided to return from  
 11/4/99 Bengal can be depended upon  
 a station at Kallikota would seem the  
 unnecessary, as plague does not appear to  
 exist in or about Cuttack. However  
 it is very probable cases will break out  
 at Puri before long & it certainly seems

I should say "no" to both  
 questions. But we must  
 ask the Bengal Govt. to  
 communicate at once by  
 telegraph any cases of plague  
 in Orissa. Hk 12.4.99.

advise that arrangements  
 for the early uplift of cases on the  
 Gangjam frontier should be made  
 especially Kallikota by rail is only some  
 24 hours from Calcutta.  
 11. iv. 99.

If we hear of any case in Cuttack  
 or Puri we should start the frontier  
 station. I am reluctant
