THE SECRETARY TO THE COMMISSIONER OF Salem

Madras.

SIR,

I have the honor to submit, herewith, an estimate with plan, amounting to Papers 52-9-2 for constructing two sheds for the segregation of plague patients at Orukani Kotta. These sheds have already been completed in anticipation of sanction with reference to your endorsement No. 573, dated 24th November 1898. One of the sheds measures 24' x 10' with four compartments of 10' x 16' each while the second shed measures 18' x 10' with two compartments of 10' x 9' each. These sheds are sufficient at present to meet all practical purposes should any case of plague occur at Orukani Kotta. I request that the sanction of the Plague Commissioner may be obtained and communicated at your early convenience.
