The Collector's proposed register
treated as an experiment. A similar
register is made for the S.C. in
reference to the register, but was
considered by the Board as being too
expensive and the Board has decided
to keep the people to the register.
It will be interesting to make the only
of the scheme.

Copy of letter No 223P from the Tahsildar
19.2.99
of Alwar to the Collector of Bellary

I beg to state that I apply for 3 overseers
to take up the census of the inhabitants
of Piddahotri who are now living in the
fields. To have an efficient check over
these people 3 overseers should be appointed
and the whole area being divided into 3 parts
they should daily check the population
and submit daily reports to the Tahsildar.
If this system is introduced it would be
possible to find out the real state of the
whole population in the fields. If any
one is found absent necessary steps will be
taken to trace him out. These overseers
may be paid Rs 10 per month. I request
early sanction for their entertainment.

Forwarded to the Plague Commissioner
I recommend the Tahsildar's proposal
for sanction.

2 The pay of Rs 10 proposed by the Tahsildar

Sildan for the Overseer seems to be insufficient

to attract really useful men for the work.

I therefore recommend that 3 men on

Rs 15 may be sanctioned for 2 months.
