READ—the following paper :—

From R. H. CAMPBELL, Esq., Acting Collector of Bellary, to the Plague Commissioner, Madras (through the Sanitary Commissioner for Madras), dated 26th March 1899, Ref. on C. No. 1190.P.

I have the honour to report that a car festival will be celebrated on the 14th May 1899 at Ujjini, in the Kúdligi taluk of this district. The festival commences on the 9th May and lasts up to the 15th idem. In ordinary seasons it attracts about 8,000 persons, half of whom come from the Bombay Presidency and the Mysore Province. Having regard to the prevalence of plague on almost every side of the district, it is necessary that attendance at the festival should be prohibited and that all intending visitors should be turned back. The Head Assistant Collector, to whom the arrangements may be entrusted, thinks that the police of the taluk will suffice for preventive purposes if the prohibition is notified in the Gazette. As the nearest railway station to Ujjini, viz., Harihar, is 30 miles from that place, I think it unnecessary to stop the sale of railway tickets to any of the stations.

2. There should be no interference with the performance by the villagers of any customary ceremonies that they may wish to perform in connection with the festival.

3. The statement prescribed in G.O., No. 279 P., dated 25th March 1898, and a draft notification accompany.

Sir,

I have the honor to report that a car-
festival will be celebrated on the 16th May
1899 at Leppini, in the Kudligi Taluk of
this district. The festival commences on
the 9th May and lasts up to the 15th idem.
In ordinary seasons it attracts about 8000
persons half of whom come from the Bombay
Presidency and the Mysore Province. Having
regard to the prevalence of plague on almost
every side of the district, it is necessary
that attendance at the festival should
be prohibited and that all intending
visitors should be turned back. The
Head Assistant Collector, to whom the arrange-

ments may be expected interested think
 that the Police of the taluk will suffice
 for preventive purposes if the prohibition
 is notified in the Gazette. As the nearest
 railway station to Lijini viz Marikar
 is 30 miles from that place, I think it
 unnecessary to stop the sale of railway
 tickets to any of the stations.

2. There should be no interference
 with the performance by the villagers of
 any customary ceremonies that they
 may wish to perform in connection with
 the festival.
