READ—

Letter from the Collector of Salem, dated 19th April 1899, Ref.On.C.No.856/P.C.

"The additional Medical Officer Hosur (Dr. H.A.E. Noble) says that when you last visited Hosur he was informed by you that a fixed batta of Rs.2 per mensem had been sanctioned for the peons of the Plague Supervisors and Plague Inspectors of circles and sub-circles. He adds that it is a big task preparing detailed travelling allowance bills for the peons every month. In my letter No.935, dated 28-11-98 I recommended the grant of batta or plague allowance to Salt peons and Police constables but no such proposal was made by me in respect of the peons of plague Supervisors and circle Inspectors nor does it appear that any such order has been received in my office. I have the honour to request, therefore, that a copy of the order alluded to, if any, may be furnished to me."

Submitted to Government with the request that very early orders may be passed on this office Ref.on.C.Nos. 1769 & 1900, dated 27-1-99.
