One plan returned.

I am directed to acknowledge the receipt of your letter No.B/C-2966 dated 23rd February 1899, stating that, under the orders of the Government of Madras, the Southern Maratta Railway Company have constructed a shed near the Railway Station at Bellary for plague inspection purposes.

Military point of view to the erection of the shed in question, it is recommended that sanction be accorded to the occupation of the land till such time as the plague operations are no longer necessary.

3. In reply I am to state that the Government of India sanction the temporary occupation of the land in question for the purpose indicated on the understanding that it is relinquished by the Railway authorities when it is no longer required for a shed for plague inspection purposes.
