READ—

The following letter from the Collector of North Arcot, dated 8th April 1899, R. C. No. 1449-P :-

In forwarding the accompanying papers for your perusal and orders, I have the honour to state that I am unable to grant a certificate as required by the Military Department. The special plague officer, Kuppam, under whose orders the men are working, has maintained no roster and in its absence, is unable to sign a certificate appended to the roster, vide his letter No. 151, dated 20th March 1899 to the Adjutant, 14th Madras Infantry. I would therefore recommend that the men may be paid the full amount claimed for them.

2. In this connection, I request that you will kindly inform me whether it is necessary to maintain the distinction - referred to by the Pay Examiner among a detachment of men sent out for sanitary plague duty. The plague officer under whose orders they are ordered to serve employs them on different duties according to requirements. If any distinction be made in granting them batta, it will be invidious and will create discontent. The definition of sanitary duties given in G.O. No. 213 Financial dated 11-2-99 is a very broad one.

Ref. on C. No. 4105 dated 18th April 1899.

Submitted for the orders of Government with reference to the last sentence of para 2 of the Government of India letter printed in G.O. No. 173 R dated 2-2-99. The Plague Commissioner recommends that the allowances claimed may be sanctioned.
