Note for the Secretary to Government,
L & M. Department.

I consider the time has arrived for abolishing the inspection stations at Dhone and Tadpatri. A statement showing the plague in the districts of Bellary Kurnool and Anantapur is-put-up since the 15th March is put up. The station at Dhone may be abolished from 21st if no further cases occur. Tadpatri may be abolished now, but passengers from stations between Tungabhadra and Guntakal should be put in one compartment and examined at Guntakal (as can be arranged), for there are still cases ^{recently} reported from Alur.
