PLAGUE COMMISSIONER,

To

SIR,

With reference to the J. Ref. no. 136
 2.13.98 L. E. L. to say that it is
 at the Custom to prohibit person
 from going from healthy but lying
 between the place at and the
 festival is held & infected area,
 & there seems no reason to depart
 from the Custom. In the case of the
 wife, was discussion, person from
 Salem might travel by rail to Coimbatore
 the most convenient station on the M.R.
 & then by road, but yet Coimbatore
 is not included in the prohibition
 there is nothing however to prevent
 from watching the long road, &
 turning back people who cannot satisfy
 him that they are not coming from
 Mysore.
