SIR,

Enclosures.

I have the honour to state that on account of the outbreak of plague in Gooty town, many people have vacated their houses and removed themselves to fields outside the town. The Taluk gunastahs and peons have put in a petition that they also like to live in fields. As these people are all poorly paid, I think it desirable that Government contribution may be paid to enable them to construct sheds:

According to the estimate the total cost for 17 sheds comes to Rs 289 and I recommend that half of this may be sanctioned. The Petition of the Taluk gunastahs and the estimates for the sheds are herewith sent
