THE RESIDENT'S OFFICE,
Dated Bangalore, 13th April 1899.

}
K. D. ERSKINE, CAPTAIN,
*First Assistant to the Resident
in Mysore.*

Weekly Report of Plague in the Mysore State, excluding
the Civil and Military Station, for the Week
ending 7th April 1899.

Bangalore City.

I. The following are the figures in the City up to date:—

	Plague Cases.	Plague Deaths.	Deaths from all causes.	Normal recorded mortality in the same period.
From 12th August 1898 to 10th March 1899..	3,332	2,653	7,148	771
Week ending 17th March 1899	...	2	2	32
Week ending 24th March 1899	...	...	35	32
Week ending 31st March 1899	...	*1	23	32
Week ending 7th April 1899	...	...	*1	35

There was no plague case during the week, and the one death was that of the imported case reported last week.

The City has now been free from indigenous plague for the last 3 weeks and the question of declaring it free from infection and of removing it from the list of infected areas is under consideration.

The total mortality was only 6 above the normal average. The number of arrivals was 1,824 as against 1,584, the population of the City being estimated at 60,711 as against 59,906 at the end of the previous week.

II. The figures for the Health and Segregation Camps were as follows:—

	Remaining	Admitted	Discharged	Developed plague	Remaining
Health camps	392	133	6	...	519
Segregation camps	8	...	7	...	1

III. During the week under report there were 207 first and 3 second inoculations, bringing the totals to 33,748 and 1,378 respectively. No inoculated person was attacked with plague during the week.

IV. The Hospital figures were as follows:—

	Remaining.	Admitted.	Discharged.	Died.	Remaining
For the week	1	...	...	1	...
Since commencement...	...	2,097	742	1,355	...
Inoculates	...	106	65	41	...

V. The number of houses disinfected during the week was 246 as against 197 in the previous week; of these 200 were deserted houses, 32 were plague infected, and 14 were locked-up ones opened under Govt. Notification No. 5235/Pg. 21—96 dated 15th October 1898.

* Imported.

VI. During the week under report permission was given to re-occupy 83 houses, and no charge was levied for disinfecting 20 houses, 3 houses were disinfected by the owners themselves and the charges realised from the remaining 60 amounted to Rs. 110.

VII. The cost of road work and earthwork in the Basavanagudi and Malleswaram extensions, carried out during the week, amounted to Rs. 2,350 as against Rs. 2,736 in the previous week, bringing the total amount spent up to date to Rs. 53,586.

VIII. The number of infected houses and houses unfit for human habitation demolished during the week was 21, the total number demolished up to date being 466, and the number of houses removed for opening out the congested parts of the city was 8, the total up to date of such houses being 511.

IX. During the week 5 persons were prosecuted for violating the Epidemic Diseases Regulation as against 8 in the previous week, of whom one was acquitted and the remaining four convicted. Of these one was fined Rs. 20 for failing to report the departure from, and the arrival to, his house of a member who subsequently died of plague, another accused, a woman, was fined Rs. 5 for having concealed a plague death and buried the corpse in her own house, the third was fined Rs. 2 for having failed to report the sickness of his child which died subsequently of plague, and the fourth annas 12 for failure to report the departure of a member of his family.

X. During the week 568 incoming passengers or a daily average of 81 were disinfected with their effects at the City Railway Station.

Mysore State Outside Bangalore.

XI. The accompanying weekly return shows the state of the Epidemic in the Province. During the week under report, there was a decrease in the number of cases in all the four affected Districts, except Kolar Gold Fields.

XII. In the Bangalore District, excluding Bangalore City, the number of cases decreased from 24 to 14. The Taluks of Bangalore and Kankanhalli have now been free for two weeks continuously and Magadi for 6 weeks. Nelamangala which had no cases in the previous week had two during the present week and in the Taluk of Chennapatna which had been free for 3 weeks, one village became freshly infected with 4 cases. In Hoskote Taluk the number of cases decreased from 6 to 2, in the Anekal Taluk from 9 to 3, and Devanhalli Taluk and Closepet Sub-Taluk which had 6 and 1 cases respectively during the past week, had no cases during the present week, while in Doddballapur the number of cases increased from 2 to 3.

XIII. In the Kolar District, excluding Gold Fields, the number of indigenous cases was the same as in the past week viz 10, but these all occurred in one place, Bowringpet. The Taluks of Kolar, Chikballapur and Malur have now been free for 2 consecutive weeks and Goribidnore for 1 week.

In the Gold Fields the number of indigenous cases increased from 58 to 75, and the number of infected villages from 19 to 21.

The following statement shows the number of cases and deaths among the several mines for the past 4 weeks:—

Number.	NAMES OF PLACES.	During the week ending 17th March 1899.			During the week ending 24th March 1899.			During the week ending 31st March 1899.			During the week ending 7th April 1899.

XIV. In the Tumkur District, the number of cases decreased from 11 to 8 and the number of infected villages from 11 to 5. There were no cases in the Sub-Taluk of Kortagere and the Kunigal Taluk. The 8 cases were confined to two villages in Tumkur Taluk, the town of Tumkur remaining free as in previous weeks.

XV. In the Mysore District, excluding Mysore city, the number of cases decreased from 9 to 7, the number of infected villages, viz 6, remaining the same as in the previous week. Of the 7 cases, 4 occurred in the Mysore Taluk and 3 in Mandya Taluk. No cases occurred in Seringapatam Taluk.

XVI. In the Mysore City the figures were as follows :—

	Plague Cases.	Plague Deaths.	Total Mortality.	Normal recorded mortality during the same period for the past 5 years.
For the week ending 17th March 1899	110	91	139	36
For the week ending 24th March 1899	73	70	120	36
For the week ending 31st March 1899	69	59	101	36
For the week ending 7th April 1899	64	54	101	31

The decrease was slight in the number of cases and deaths, the total mortality remaining the same.

XVII. Returns similar to those furnished in the case of Bangalore City have been called for from Mysore and the following are taken from some of those received for the week.

XVIII. The total number of arrivals during the week was 1,785 and that of departures 1,483 the total population at the close of the week being 59,007 as against 58,763 at the end of the previous week.

XIX. The figures for the Segregation Camp were as follows :—

	Remaining	Admitted	Discharged	Developed plague	Remaining.
During the week	19	8	15	...	12
Since commencement	...	569	525	32	12

XX. There were 13 first inoculations and no second inoculation during the week, bringing the totals from commencement to 29, 867 and 94 respectively.

XXI. The Hospital figures were as follows :—

	Remaining.	Admitted.	Discharged.	Died.	Remaining.
For the week	65	5	6	1	63
Since commencement	...	251	57	131	63

XXII. 238 houses were disinfected in the City during the week, the total number of such houses disinfected from the commencement being 2,255.

XXIII. 440 persons or a daily average of 62 persons were disinfected at the Mysore City Railway Station.

R. B. PLUMER,
