Enclosure No 929, 11.4.99.

Copy of letter from the Collector of Luddapah, 11.4.1899, Ref: m C No 275.

With reference to your letter Ref: m.c. no: 3096, 11.3.99, I have the honour to state that I have called on the Sub-Collector and Deputy Collector, Jammah, Madaga, to nominate Special Revenue Inspectors for plague work but have not yet received their nominations. In view of the hot weather and decrease of plague, I think that we can well do without those officers at present. Our risk of infection is less now than it has been any time these 6 months. So I propose that those appointments be held in abeyance till found necessary. I will consider what further reductions can be made.

We have little going on except two ambulance Corps & one frontier Station at Chigilabye. I am inclined to think that the Luddapah Ambulance Corps may be disbanded at once, but do

do not know how long Govern-
ment propose to retain those
Corps.

Plague Commissioner's Office,

FORT ST. GEORGE,

Dated 11th April 1899

189

From

L. E. BUCKLEY, Esq., I.C.S.,

PLAGUE COMMISSIONER,

To

The Collector of Cuddapah.

SIR,

In reply to your letter Ref. on C. No. 275/P (Copy enclosed)
of 14-3-99, I have the honour to say that I am of opinion
that at the least the 2 Revenue Inspectors mentioned in your
Reference on C. No. 347 R of 98 dated 21-1-99 should be -
appointed at once and that considering that plague is now
fully established in the Gold Fields of Kolar, it seems
advisable ^{that} one such officer should be appointed for each
frontier firka.

2. The Cuddapah ambulance corps may be disbanded. The 2
European or Eurasian nurses on the Madanapalle staff may
be replaced by natives.

I have the honour to be,

Sir,

Your most obedient servant,

For Madanapalle
13/4/89
for Plague Commissioner.
