SIR,

With reference to your Ref on C No 1622 dated 10. 2-99, I have the honour to state that the establishment included in the two proposition statements in question represents new appointments created exclusively for plague duty and comes therefore under the head "Direct charges" (Vide Classification of plague charges in GO 698 Financial dated 15.8.98). One of the Hospital Assistants attached to the Municipal Hospital at Cocanada was deputed to inspect passengers and to issue passports at Cocanada Town Railway Station and he was paid an allowance equivalent to 1/5th of his pay (Rs 25. p.m.). He has recently been relieved of this special duty and no plague allowance is now paid to him

It is not therefore necessary to include this Hospital Assistant in the proposition statement. The name is therefore now struck out from the Proposition Statement.

2 The Municipal Council Cocanada proposed the entertainment of the Certificated Sanitary Inspector on Rs 35 p.m. for only two months but as already stated by me he should be retained for at least a year. (Vide my remark in the last column of the list of Plague Establishment for February 99.) I am in correspondence with the Council on the subject. Pending the result of the same the expression "for two months only" in the proposition statement is now corrected into one year.

3 The two proposition statements are returned.

I have the honour to be
