O.C. M. H. Munnick
Plague Commission

In forwarding the accompanying letter from Lieut J.A. Bliss, Plague Officer, I have the honour to point out

that G.O. No. 1264 P., dated 7th October 1898- paragraph 7 mentions "salaries and allowances"

2. From this it would appear that it was the intention of Government to grant them allowances.

3. I certainly think that they should receive some and I do not think that Rs. 150/ would be too much, as should plague develop to any great extent, I very much doubt if one horse would do their work and the charge for a carriage and

two horses (not bullocks) Rs. 150. In Calcutta they were allowed Rs. 150 per mensem.

4. I am in agreement with the Municipal Commission that if these

are to be received by the Municipal Commission they should be registered and enclosures

sent in all cases of plague cases. Spare copies in all cases of plague cases.

is 4. The following is a list of the names of the persons who are now in the plague cases.
