C No 2230

With reference to your telegram dated the 2nd instant, I have the honour to state that as there have been only some stray cases of late in Hindupur and as the disease has spread out to villages which are not however on the side of Pennakonda, the Railway inspection station may remain at Hindupur for the present.

I have the honour to be,
Sir,
your most obedient servant,

SIR,

Enclosures.

Adverting to your order No. 390 of the 9th instant, I have the honour to suggest that the inspection of passengers by rail may be conducted at Pennkondra instead of at Hindupur as plague is indigenous at the latter place. The change will however be expensive in the way of building a new camp
