PROCEEDINGS OF THE PLAGUE COMMISSIONER.

READ—the following papers:—

From C. J. WEIR, Esq., Acting Collector of Madura, to the Plague Commissioner, dated 7th December 1898 Ref. on C. No. 3131-Gl.

I have the honour to request that you will be good enough to inform me whether the Travancore Government has made any arrangements to keep under observation persons travelling from infected parts to the Travancore territory with passports *via* this district. The rules in Regulations 17 (ii) and 17 (viii) of the Original Muffassal Regulations are stated to apply to British or Mysore territory, and it does not appear that any orders have been subsequently communicated regarding arrangements made by the Travancore Government specifying the officers corresponding to those under Regulations 17 (ii) and (viii). &c. A few days ago, the District Medical and Sanitary Officer, Madura, received the usual intimation from Tungabhadra under Regulation 17 (viii) of the passage of one Miss C. F. Madden to Devikulam, *via* Ammayanayakanur, and he forwarded the intimation to the Deputy Tahsildar of Uttamapalaiyam to arrange for the individual being observed; but the Deputy Tahsildar reported to him that, before the receipt of the intimation, the individual had crossed the frontier and gone to the Travancore Hills, and returned the intimation to the District Medical and Sanitary Officer.

From L. E. BUCKLEY, Esq., Plague Commissioner for Madras, to the Resident in Travancore, dated 1st February 1899, Ref. on C. No. 2081.

I have the honour to enquire if the Travancore Government desires intimation to be sent of arrivals from infected areas and, if so, to whom such intimations should be addressed.

From K. KRISHNASWAMY RAO, Diwan of Travancore, to the Acting British Resident in Travancore and Cochin, dated Camp, Krishnapuram, 16th February 1899, No. 893-V. S. 151.

In reply to your letter Ref. on C. No. 450, dated the 10th instant, I have the honour to inform you that intimation of arrivals from plague-infected tracts may be arranged to be sent to the Superintendent and Magistrate, Cardamom Hills, or the Division Peishkars, within whose jurisdiction the destination of such passengers may be. The full addresses of these officers are given below:—

- (1) J. S. Sealy, Esq., Superintendent and Magistrate, Cardamom Hills, Devikulam.
- (2) M.R.Ry. S. Padmanabha Aiyar Avargal, Diwan Peishkar, Kottayam Division, Kottayam.

The Colls. of Madras

SIR,

(a) I have only a draft for approval (on the analogy of my son's) and based on any previous order.

(b) The Col. Dept is not aware whether any action has been taken

(c) What is your authority for this statement? In G.O. 230/85

Travancore was asked to adopt similar precautions to those then in operation in the Port. Dept. if any action had been taken?

W. 26/12/85

I have enquired in the S. D. Dept. The clerk concerned says that the Dept. has no information as to what action has been taken.

I am asked to report in 2 parts. The 1st part is to be sent to the S. D. Dept. and the 2nd part to the Col. Dept. (c) I have written the 1st part and have sent it to the S. D. Dept. for their consideration.

Letter from Madras to the Col. Dept. is in reply.

The draft submitted (c) is in reply to the letter from the Col. Dept. dated 10.12.85.

In reply to your letter Ref. no. 3131 of 14th Dec 7-12/85, I have the honour to state that in the Dept. to the intimation of the departure of ~~persons~~ ^{Cochin} persons from infected parts to Travancore, though the Madras District, the same procedure should be followed as has been prescribed in the case of my son.
