NOTE FOR THE Secretary.

In the Current read above, the Agent and Manager, Madras Railway, requests that prohibition of issue of tickets in connection with fairs and festivals may, in all cases, be notified in sufficient time to enable the Traffic Manager to advise the staff by Circular, as in several instances, intimation has reached him so late as to require telegraphic advices to the Stations Concerned. In his letters to the Agent and Manager, forming enclosures to the Current read above, the Traffic Manager says that in some instances, the intimation has reached him even after the dates of Commencement of the prohibitions. The Traffic Manager refers to twelve festivals and fairs. The particulars furnished in respect of one of them do not exactly correspond with any G.O. As regards the Eleven other festivals a statement is appended to

shows the progress in the disposal of Collectors' reports. It will be seen therefrom that there has been no undue delay in this office in the disposal of those papers. Very frequently Collectors' reports are received too late and Mr. Tremenheere once noted this and drew Plague Commissioner's attention to it – please see flag A. In the cases in question the G.O., or telephonic message, were despatched to the Agent and Manager as shown below :–

On the date of Commencement of prohibition ——— 1 Case

one day previous to the date of Commencement ——— 4 Cases.

2 days - - - do - - - - 1 Case

3 days . . . do . . . . 1 "

4 days . . . do . . . . 2 Cases

After Commencement —— 1 Case.

There was, however, delay in the despatch of the last four G.O.s entered in the appended list, which was due to the Easter Holidays that intervened.

flag B

Agent and Manager may be informed that, in future, intimation of prohibitions will be given him at least a week prior to the date on which the prohibitions begin. The attention of the Collectors may once again be drawn to the Plague Commission proceedings No. 4462 of 22-2-99, in the request that proposal in regard to prohibitions at fairs and festivals should (in future) be submitted in strict accordance therewith, i.e., a month and a half previously. A draft prepared accordingly is submitted.

Dear Sir,

Prohibition of booking passengers

I beg to enclose a statement of notifications prohibiting booking of passengers in connection with plague which have been received during the last few weeks so late as to require telegraphic advices to all the stations concerned. In some cases it will be noticed that the advices were received after the commencing date of the festival.

2. The District Traffic Officers have brought to notice that the amount of work thrown on the wires by these notifications seriously interferes with the Railway business.

3. I shall be much obliged if you will kindly request the Government to notify the prohibitions in time to enable me to advise our staff by circular
