Note

Please see the three
amendments marked I, II
& III in the draft notifi-
cation submitted by the
P.C. (Flag A).

I The infected district
of Salem may ^{also} be added.
The Collector has not re-
ported the places from
which pilgrims attend the
festival. Hence it is better
that all infected districts
are included.

II The Collector reports
that the festival commences

on the 12th May. He does not
state that the prohibition
should commence on some
later date. The P.C., how-
ever, has ~~ordered~~ ^{ordered} 17th May
in the draft notification
submitted by him entered
17th May as the date on
which the prohibition
should begin. The P.C.
does not give any reason.
Generally the P.C. proposes
that the prohibition
should commence a few
days earlier than the
dates proposed by Collectors.
Submitted that in this
case "17 May" may be
altered into "11th May".

III The draft notification
as submitted by the P.C.
would prohibit the issue
of railway tickets to the
stations named through-
out the Presidency. This how-
ever, seems hardly ne-
cessary. As it should be
sufficient to ^{restrict the} prohibition

I approve of alterations

of the sale of tickets to
infected districts, the
proposed addition may
