Enclosures. 5

Sir,

Three estimates ranging from Rs 150 to Rs 300 were received for the construction of plague sheds at Ramnad, Devipattam & Paramagudi. The District Board has postponed its sanction for want of Type Designs for these small sheds. In Proceedings No. 918 of the Sanitary Board Madras, it is stated that a Type Design for plague hospital has already been issued by Government in G.O. No. 256-P, dated 23rd March 9 and adherence to this design is recommended. This G.O. relates to plan for plague hospital which would cost much, and does not provide for small sheds proposed to be erected for emergencies. I have therefore the honor to request that you will be so good as to state whether the District Board can sanction the above estimates. The estimates are herewith sent for your perusal and return.
