OFFICE

OF THE

COLLECTOR & MAGISTRATE,

Camp Sattampalle
~~MADURAI~~ ~~TAM.~~

KISTNA DISTRICT.

Date 27th February 1898

FROM,

R. Morris Esquire

COLLECTOR, KISTNA DISTRICT.

TO,

THE

Plague Commission
Madras

SIR,

With reference to your Proceedings
Reference: 1527 and 1616 dated 8th February
1898, I have the honor to report as follows:-

24D Medical 5082

24A or 1339

6421

The Expenditure under Provincial up to the
End of December 1898 is Rs 6421 as particularized
in the margin and adding to this, Rs 223
being the telegraph charges which were not
included in the Estimate, the total comes
to Rs 6644. The amount entered in the
Statement on page 12 of G.O No. 154 Financial
is Rs 6645-12-3. The slight difference of
Rs 1-12-3 is due to the exclusion of fractions
of less than half a rupee in the Estimate,
the figures having been reported only in
whole rupees.

2.

The Local Fund District Engineer

has since sent in an estimate for Rs. 4000 for the improvements required to the Plague Camp at Koudapalle and at least Rs. 1000 will probably be ~~spent~~ spent before the end of March. I shall therefore raise the figure under 24D Local Petty Construct-
-ion and repairs in the Estimate for March
 from 500 to 1041.

3. The substitution of an officer Hospital Assistant for a Plague Inspector provided for in the Estimate for January 1898 is due to the fact that the Berhampore Municipality dispensed with the services of a Sanitary Inspector employed at the Berhampore Railway Station for inspection of passengers arriving from infected parts, issuing passports and disinfecting goods under the directions of the Medical Officer at Koudapalle and appointed an Hospital Assistant instead.

I have the honor to be
 Sir,
 Your most obedient servant
