THE Secretary to Government,

Fort St George,

SIR,

With reference to your endorsement No 303 dated the 1st February 1899, I have the honour to state that should Government consider the circumstances of the case to be such as to justify the grant of the pony allowance, there appears to be no objection to the required sanction being accorded. Sanitary Inspectors on plague duty are allowed horse allowance under G.O No 57 D dated 9th January 1899.

Note

With reference to the remarks of the Public department on the current below, a provision of Rs 15 on account of the pony allowance for the Hospital assistant, Ootacamund, will be made in the plague estimates of the Nilgiri district for March 1899 under Municipal. For next year a sum of Rs 100 will be provided when the plague estimates for April 1899 are received.

As the Hospital assistant is solely employed on plague duty, ~~the~~ the charge is a direct one and may be sanctioned by the Plague Commissioner.
