Prohibition of the attendance of pilgrims from Anantapur and North Arcot districts will do, and the Government may be addressed to publish the enclosed draft notification.

note

The Colls expects pilgrims from the Anantapur, Gooty & Dandapani Talukas of the Anantapur Dist. None of these are infected at present. The same number of pilgrims is also expected from Villore Taluk. There are still dropping cases at Villore, Namipet & Trinivallam but considering the distance & the small number of pilgrims, the passport rules seem quite enough. But of course, the more publication of the draft notice sent up by the Colls will do no harm.
