Coimbatore COLLECTOR'S OFFICE,
Camp,

No. 4084 OF 1898.

17th Decr 1898.

FROM

J. A. Cunningham, Esq.,
Acting COLLECTOR OF
Coimbatore,

TO

THE Plague Commissioner,
Government Office,
Fort Saint George.

SIR,

With reference to Government Order No 766 P (I. & M.), dated 6th August 1898, I have the honour to submit herewith a list of persons who have arrived in this district from plague infected places, chiefly from Bangalore, but whom it has not been possible to trace and observe.

2. These show very clearly that passengers both by rail and road attempt to evade the Plague Regulations by giving false particulars as to their names &c.

I have the honor to be,

Sir,

Your most obedient Servant,

for Acting Collector.

the Road Inspection Stations and were
passported there - (e.g. those from Tirunarasayana-
puram on 29th September 1898; from Chamraj-
nagar and Talakad on 30th October 1898; from
Gundalpet on 10th October 1898.) Some of the
passengers by rail are reported not to have arrived
at their places of destination. They must therefore
have broken their journey ~~have broken~~ elsewhere
and rebooked to places other than those originally
mentioned by them. (vide the latter part of
the last sentence of para 2 of your note
forming an enclosure to your printed letter
No 931 dated 17th December 1898.)

3. I may add that your Proceedings
No 302 of 21st October 1898 which directs
the tickets of those, who rebook at intermediate
stations without stopping for more than
a few minutes to be marked with the word
"Plague" in red ink, was received in this
office only on the 19th November last and
the instructions issued thereon to the Officers
concerned about the end of that
month would have reached them in the
beginning

beginning of December. Further,
I fancy that punches of the revised
pattern were not supplied till about
that time.

I have the honour to be,
Your obedient servant,
Acting Collector.
