The revised Estimate sanctioned on

So Rs 133 in 30-1-88 is Rs 1240. The  
Chairman reports that a sum of Rs 2100  
has been already spent up to the end of the  
last month & that a further amount of  
Rs 1040 is required for the remaining part  
of the year. ~~The plague &~~ But the plague &  
Cholera charges appear to be included in  
these figures. The plague expenditure for this  
month will alone amount to Rs 502 &  
cannot be reduced. This Office has no  
information about Cholera charges & cannot  
therefore say what total amount is ~~not~~  
required for epidemic charges.
