SUBJECT.

Revision of the list of infected
areas.

FOR ORDERS.

C. No 910 and
Para 2 of C. No 911 } The proposal
to omit

1. Pattikonda taluk (Kurnool)

2. Alur taluk (Bellary)

3. Hospet (Bellary)

and 4. Gooty taluk (Anantapur)

from the list of infected areas may,
as recommended by the Plague
Commissioner, be considered after
the 15th Instant.

Para. 3 of C. No 911. As cases
are being reported from North
Arcot almost every day, the
notification referred to may,
for the present, stand as it is.

Para. 4 of C. No 911. The plague
seizures and deaths in the
Jullander district in the
Punjab have been as
shown

in Notfn I in fo 380 P 11.3.99 flg B

III in flg B

Pattikonda must
not be omitted
as a case was reported
from there yesterday

8.4.99

shown below:—

	Seizures	Deaths
Week ending 27.3.99	6	5
" 3.4.99	13	3
" 10.4.99	43	20
" 17.4.99	70	33
" 24.4.99	48	34

The district may be added to the list of infected areas as recommended by the Plague Commissioner.

Para. 5 of C. No. 911 Figures for a later week (i.e., the week ending 24.4.99) have now been in this office ^{entered} in the statement received from the Plague Commissioner. Orders are solicited as to whether the six places marked by the Plague Commissioner should be added to the list of infected areas.

Submitted that Jullandee and the districts in Bengal at marked in the list submitted by Mr. Buckley may be notified. Our own districts may be left alone until the 15th May & then considered. This dangerous

Suppose that 9.5.99
heat them as free - e.g.
Pattikonda after being free
of plague for some time like
6 weeks shows a case. This shows
how careful we must be

READ—

The following letter from the Collector of Anantapur, dated 21-4-99, *General* No.A.

I have the honour to recommend that Gooty Taluk be declared free from plague and removed from the list of infected areas. Plague may safely be said to have died out there and people from the taluk are being needlessly made to take out passports when they travel elsewhere.

2. I also think that Hindupur Railway Frontier Station may be closed at the end of April as the country between it and Bangalore is no longer likely to spread disease through emigration.

Ref. on. C. No.4481, dated 1-5-99.

Submitted for the orders of Government.

2. There is still plague in Kolar, Mysore and other parts of Mysore State and it is not advisable to close the inspection station at Hindupur.

3. There have been no cases in the Gooty Taluk since 9th March 1899 and it may be removed from the list of infected areas. So also may Pattikonda, Kurnool District in which there have been no attack since 27th March.

no 9119

Ref. on. C. No. 4701.

Note for the Local & Municipal Department.

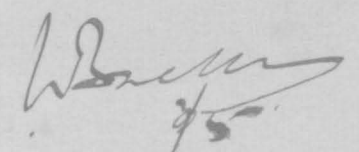

1. The time is approaching when our list of infected areas may be revised. The list is important as our passport system depends upon it.

2. I had prepared a draft suggesting the omission of Pattikonda Taluk(A) in Kurnool, & Gooty Taluk in Anantapur(B), but today a case is reported from Pattikonda. I think it is too soon to omit Alur Taluk. The case of these places and Hospet may be considered about May 15th and if no more cases are reported from them they may be omitted from the list.

3. The notification declaring stations between Jalarpet & Munnal stations for the purposes of the passport conditions cannot be reconsidered till North Arcot shows a clean sheet for at least 15 days.

4. Jullander District in the Punjab should be added to the list.

5. How much of the Bengal Presidency should be added? I enclose a list showing attacks & deaths in the last 3 weeks. Perhaps those marked X may be declared infected.

Plague Commissioner.

To the Secretary to Government L & M Department with list of attacks in Bengal for the last 3 weeks.
