 Officer Chingliput deputing a 3rd class
 Hospital assistant to do
 plague duty at the Railway Station
 concerning and regarding that
 he is very fit and strong and is a

 him with a gun and 2 police constables
 The Council is of opinion that
 neither the plague nor the house
 rent referred to is given to the
 3rd class Hospital assistant as he
 is purely engaged for plague duty
 at the Railway Station and he does
 no other work. There is already a police
 constable at the Railway Station
 on plague duty who may
 be utilised and as the other
 persons will be given to him
 attendance necessary

 Mr. S. S. S.

14-11-98 presented in the plague
Commissioner's proceedings
No 732 dated 13-11-98, it is laid
down that Hospital assistants
"are entitled to a local allowance
not exceeding 1/5 of their salary
when they are required
to do additional plague work
such as the inspection of passengers
by rail & which is entirely outside
the sphere of their ordinary duties."
In the present case the Hospital
assistant being employed solely
on the inspection of passengers
by rail, the Council thought
that he was not entitled to the
house rent. The Council probably
lost sight of the condition that
the inspection should be at his
own station. Vide copy of the

resolution enclosed. The subject
was since placed before the Council
twice, once on 14-2-99 and again on 25th
February 99 so that their previous
resolution may be revised and
the amount of house rent to be
allowed be fixed. On both the
occasions it was ordered to lie
over. Hence the delay in the
submission of the reply. Pending
final orders of the Council, provision
has, however, been made for payment
of house rent at Rs 5 per mensem
in the plague estimates for
February and March 1899.
The Council's endorsement

enclosed.

Calling for certain information

that prior to the appointment

plague inspection duty at the

Railway Station, the duties were

being looked after by the Chief

Sanitary Inspector in addition
to his own work and he was being
granted an allowance of Rs 10 per
month on that account. Hence the
apparently high expenditure of Rs 89
under Plague allowance.

2. The Plague Hospital assistant
now on plague duty is solely employed
on medical inspection of passengers
at the -
Railway station and issue of
passports to them. No for the
was made for house rent for the
